Zebra® Skimmer Accessories

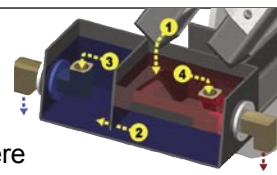

Diverter™

- Separates oils for coolant-free skimmer output
- Mounts below Zebra Belt Skimmer & Sidewinder™
- Rugged, heavy-duty, steel construction
- Discharge pipes and mounting hardware included
- Brass outlet fittings
- 2 quarts per hour oil output capacity
- One year warranty

How the Diverter Works

- 1 Oils (tramp and coolant) enter here
- 2 Coolant sinks and passes under this weir
- 3 Clean coolant returns to your sump here
- 4 Tramp oils discharge to waste container here

Lockjaw™

- Install your skimmer in seconds!
- Easiest way to transport your skimmer between machines or to drums
- Mounts below mechanical skimmers
- Fits easily on drums, pails, and sump walls of 1/4" or less
- Shown here with Belt Skimmer w/Diverter
- One year warranty

Timer

- Keep your oil skimming on schedule
- Stop burning out intermittent duty motors
- One year warranty
