

# PRODUCT PROFILE

## Zebra® Sierra™ Portable Coalescer

- Extend life of straight cutting oils, removing water and particles for its reuse
- Improve efficiency of tools and machining processes
- Simplifies your life with one piece of equipment

- A. Translucent tank w/spin-welded, leak-proof fittings empties in minutes and cleans up easily
- B. Crush-resistant hoses with magnetic hose holders
- C. Sumpster™ intake attachment included
- D. 1/2", durable, air diaphragm pump handles multiple sump service and below ground applications
- E. ON/OFF lever (not shown) activates power to the pump
- F. Regulator provides for adjustable flow rate for quicker servicing
- G. Pressure limiter (not shown) protects pump from over-pressurization damage
- H. 500µ stainless steel, reusable pump pre-filter prevents large suspended chips from damaging pump
- I. Baffled Anti-Turbulence System (BATS), a unique Zebra feature, removes entrained air, improving efficiency by 20% over other brands
- J. Polishing filter captures fines once the water portion has been separated
- K. Pressurized return delivers clean oil against gravity, allowing simple and efficient transfer to a holding tank, as necessary
- L. Rugged, powder-coated steel frame transports components easily (handle/hose rack not shown)
- M. Tow motor accessibility allows transport over floor obstructions or between plant levels

### Attachment Information

#### Sumpster™ #SK10A8

- Galvanized steel w/chip screen on 12" rod (not shown)
- Handles 3" level fluctuation
- Skims w/o sucking air to prevent foam
- 5" x 4.25" x 4.625"

#### Floating Sumpster™ #SK10B3.3P (option only)

- Same benefits as Sumpster, plus
- For large sumps or varying fluid fluctuations
- Handles underground applications w/10' lift
- 13" x 12" x 6"

#### Oil Wand™ #FMXW1 (option only)

- Manual attachment for oil pick up in machine ways, sump corners, or conveyors

Model	Part Number	Description
Oasis	FM60-7309	Sierra Portable Coalescer to remove water-based fluids and fines from straight oils
