ZEBRA SKIMMERS EXPANDS LINE OF REPLACEMENT BELTS

Cleveland, OH -- Zebra Skimmers Corporation, a full-line manufacturer of oil skimmers and coolant maintenance equipment, has recently expanded its production of replacement belts for other brand belt skimmers.

According to Meg Grant, Inside Sales & Service, "Our ability to manufacture custom-sized replacement belts for other brand belt skimmers has satisfied our customers' needs for replacement parts, quality, and true service, since we can also calculate the appropriate belt size, if unknown."

Zebra offers belts in the following materials and sizes:

- ✦ Flat polyurethane in 1, 2, 3, 4 or 8" wide, any overall length
- ✦ Flat stainless steel in 1, 2, 3, 4 or 8" wide, any overall length
- ✦ Cogged polyurethane in 1" wide, any overall length

Zebra Skimmers, the leader in coolant maintenance for over a decade, invents new technology to save its customers money on coolant while reducing waste and sells and supports its equipment worldwide. Most products are guaranteed for at least a year, and some for life.
