## **ZEBRA SKIMMERS INTRODUCES SIDEWINDER™ TUBE SKIMMER** **DESIGNED FOR HAAS® MACHINE TOOLS**

Cleveland, OH---Zebra Skimmers Corporation, a full-line manufacturer of oil skimmers and coolant maintenance equipment, recently introduced its Sidewinder™ Tube Skimmer specially designed for Haas® machine tools.

"Our Sidewinder broke ground years ago since it works in virtually any machine sump, especially those which are hard to access. Many of our customers desire a skimmer which not only fits their machine, but also looks good. The new design for Haas machine tools offers that added value while maintaining its versatility," says Meg Grant, Inside Sales & Service.

Zebra Skimmers, the leader in coolant maintenance for over a decade, invents new technology to save its customers money on coolant while reducing waste, and sells and supports its equipment worldwide. Most products are guaranteed for at least a year, and some for life.
