## **ZEBRA SKIMMERS, SIDEWINDER™ TUBE SKIMMER, MODEL # ZVA8**

Cleveland, OH--Zebra Skimmers Corporation, a full-line manufacturer of oil skimmers and coolant maintenance equipment, recently introduced its next generation Sidewinder™ Tube Skimmer, model number ZVA8.

"We are pleased to announce that test units of this new design have proved themselves across a variety of industry applications over the last ten months, and production release is set for mid October 2007," says Meg Grant, Inside Sales & Service.

### Improved Features Include:

- ✦ Improved gear drive technology
- ✦ Longer tube life
- ✦ Compact design

Zebra Skimmers, the leader in coolant maintenance for over a decade, invents new technology to save its customers money on coolant while reducing waste, sells and supports its equipment worldwide. Most products are guaranteed for at least a year, and some for life.
